Fire Safety Training Course Dates 2017

Protecting your world

Duration: **2.5 hours**

Who should attend: **All employees**

Cost: **£110.00 + VAT**

Start time: **Morning 9:30am** (unless otherwise stated)
Afternoon 1:30pm

Course Overview

This course gives delegates an all round knowledge of what to do in the event of a fire, an overview of the fire warden role and gives practical hands on experience of tackling a real fire with a fire extinguisher.

- The role of the fire warden.
- Dealing with disabled persons and evacuation procedures.
- Understanding fire prevention, including main causes and tips on general housekeeping in order to minimise the risk of fire breaking out.
- Understand the different types of extinguishers and their methods of operation, capabilities and limitations.
- Practical exercise – hands on experience of using a fire extinguisher on controlled fires.
- Training certificate.
